February 2007

February's General Meeting at STUDIO 3 PHOTOGRAPHICS

next Wednesday, February 21, at 7 pm.
591-9044

Print Judging Months:

- March
- June
- September
- November

Program topics will include preparing your images for Print competition. There will be an exchange of Judges's Tips on how to score higher in competition.

New rules for Albums entered in PPA's annual Print exhibition. Albums include, wedding or events.

Quarterly print judging will held throughout the year. Individual entries could be Electronic files or Paper prints.

John Woodward- Demon's Face

2007 State Annual Park Permits will be available for pick up at the meeting. More forms are available if you missed getting your form at January's meeting. These permits are required at DLNR administered areas (excluding boating areas) on Haaii, Kauai, Maui and Oahu that are generally open and accessible to the public, including Kakaako and Kewalo Basin. You must have your permit or you maybe sited if you don't have a valid pemit and fee paid.

Dwight Okumoto- Medieval Fortress, Infrared

General Meetings at FUJI PHOTO HAWAII

Selected months will have its meeting location at the FUJI PHOTO HAWAII headquarters. Meeting dates will be announced.

The **FUJI S5** was introduced in January at Ken Sklute's Workshop.

You should see the impressive new workings of the New S5! The first impression of the increased weight, nice, solid feel. The Data Screen is HUGE! and the files are outstanding. You can see the overall improvements from earlier models.

PPH website: **Sylvia Botza** did an outstanding job in getting our website up and running in 2006. Remember to Update your personal site, www.PPHAWAII.org. Use the PPH website to promote your business. It's one of the included benefits of your 2007 Membership.

Don't forget to maintain your **2007 PPA membership**.

The **Professional Photographers of America** has just celebrated its 2007 Imaging USA Convention and International Print Competition in San Antonio, TX. Ask Jerry Grigory, he was there having a Blast at the Trade Show.

The PPA is there to help you succeed in your business. PPA provides continuing education, and to protect your interests, through Copyright.

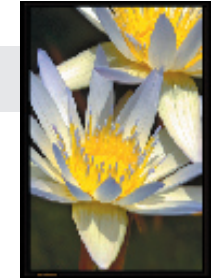

Did you ever lose your digital files from a corrupt memory card? PPA is there to help solve or lessen the damage as a good trusted friend will be by your side to help. It's the value you get when being a member.

EasyShare All-in-One Printer
models 5100-5300-5500

EASTMAN KODAK COMPANY

introduces its latest inkjet printer. Three EasyShare All-in-One printers will be able to print, scan, copy, all at lower operating ink costs of 50% lower than its competitors. First of these printers will be ready in March starting from \$150-\$300. With Kodak's design, the printing head is built into the printer, not the ink cartridges. Ink longevity is projected to last 100 yrs. and it is priced cheaper.

February's General Meeting
STUDIO 3 PHOTOGRAPHICS

UPCOMING Meetings
Meetings are normally scheduled for the 3rd Wednesday of each month. Selected Months will be held at FUJI PHOTO HEADQUARTERS, to be announced.

December
PPH Holiday Party

Check with **Terry Takaki** for the latest 'gizmos' and 'digital gadgets,' memory cards, supplies, at the next meeting.

Tech TIP: A simple efficient way to improve your speed and overall performance on your computer is to add more physical RAM. Photoshop will not 'hang-up' with the added RAM, and of course, Don't install cheap slow RAM. Buy quality RAM.
